以英語為主要授課語言, 營造豐富英語學習環境

本校創校於一九八零年, 是一所政府資助小學。中華回教博愛社以「博學愛群」為辦學宗旨, 著重學生「德、智、體、群、美、靈」六育的均衡發展。

本校學生來自不同的國家, 藉著多元種族的環境優勢, 學習多欣賞、多溝通、彼此尊重, 體現多元文化、種族共融的精神。

本校課程均採用英文課程 (中文、普通話除外), 以英語授課。本校為加強支援學生學習中國文化知識, 中國籍學生採用本地主流中文課程, 外籍學生則採用校本設計之中文課程, 並以小組形式同級分組上課。

為照顧不同學生的學習需要, 本校設課後補習班及多元化的課後活動學生可自由參與, 部份活動更是免費參加。

With English as the primary medium of instruction We create a rich English learning environment

The school was established in 1980 and is a government-aided primary school. The Chinese Muslim Cultural and Fraternal Association founded the school with the school motto "Be well educated and love others", emphasizing the balanced development of students in the six domains of ethics, intellect, physique, social skills, aesthetics, and spirituality.

Our students come from diverse nationalities. Leveraging the advantage of this multicultural environment, students learn to appreciate, communicate, and mutually respect each other, embodying the spirit of multicultural integration.

All subjects (except Chinese, Cantonese) are taught in English. To reinforce students' knowledge of Chinese culture, Chinese students follow the mainstream local Chinese curriculum, while non-Chinese students take a school-based Chinese curriculum, with students of the same grade level grouped for class.

To cater to the diverse learning needs students, the school provides after-school tutorial classes and a variety of extracurricular activities, some of which free of charge for students to freely participate in."

多元智能活動 Multiple Intelligence Activities

Painting class students diligently paint to their artwork.

Students do their best to push the stones towards the center.

Students use Lego and computers to design robots.

Basketball team members on the awards podium.

The IPS football team fought hard for the school in inter school competitions.

Table tennis team members practice their rallies during training.

The athletics team students worked hard during training to improve themselves.

Through puppet shows, students could relax, express themselves, and learn to cooperate.

The students were playing the shepherd's flute, producing melodious tunes to cultivate their minds.

The students were focused on playing board games, moving towards victory.

The students were diligently training in fencing, striving to challenge themselves.

家長心聲 Parents' Messages

陳揚揚家長

十年樹木，百年樹人。作育英才，談何容易？因此，在這裡真的非常感激伊斯蘭學校一群不畏艱辛，無懼挑戰的校長、老師們、社工及校工們，一步步引領著小女由一個懵懂的小孩搖身變為一名初中生。古語說：「一日為師終身為父」，六年的校園生活，小女真正承蒙了父母般的關愛。考試默書失敗了，老師們給予的是更多鼓勵及其它溫習方法，身體有少少的不適亦會關懷備至，第一時間通知家長們。猶記得，初小的時候，老師們已完成一整天辛勞的教務工作，但仍然不辭勞苦地打電話給家長們分享小朋友在校情況，從而讓家長們寬心之餘亦增強了家校合作。學校是一個大搖籃，但亦要有伯樂。而伊斯蘭學校的老師們就能夠因材施教，致力舉辦不同的興趣班或課外活動。如小女由初小參加的中國舞蹈班、校外中英朗誦、小型網球，到高小的STEM機械人課程，手鐘班，美勞手作，小領袖計劃，動靜皆有，她更是十分樂意和積極參加。過程中不但提高她的課外知識和自信心，最重要的是全面地擴闊她的眼界，如同給她在升中的道路鋪設了一條穩固堅定的道路。

最後，在此非常感謝伊斯蘭學校辦學團體一直以來對學生們的付出與關懷，對家長們亦給予大大力的協助。這六年小女及家人們，承蒙關照不勝感激，亦望辦學團體往後繼續惠及社群，培育人材。

Student's name: Angel Negotra

Parent's name: Sumeer Negotra

A school is considered as a lighthouse of knowledge. We are very lucky and privileged that our daughter started her primary education in Islamic Primary School, a school with such a diversified cultural background. It is not about just getting a basic education in early childhood; it takes a lot of effort from the school and teaching staff to give a person a strong foundation on which a good character can be built in the person's life ahead.

We are very proud of the Islamic Primary School team and other management staff's contribution to bettering the future of our kids. The proper guidelines help students to be disciplined, and along with the self-directed activities, bring independence for our kids to perform much better in future.

We are thankful to the school not just for providing education, but also doing their best to raise better human beings in a cheerful and harmonious social community.
