2026-2027

"One-off Grant for Promotion of Self-directed Language Learning (English Language)" Plan

Coordinator: Ms Chung Sin Wa, Mr Shubam Kumar

Item	Grant Usage Scope	Courses/Activities	Expected Outcomes	Time Scale	Budget expenditure	Success Criteria	Methods of Evaluation	People Responsible
1.	Hiring non-staff instructors or non-teaching support personnel.	P.4 Curriculum Development in Writing	Engage a professional English educator to conduct eight co-planning meetings throughout the year with the Primary 4 English subject teachers at the school. The educator will design teaching materials tailored to the students' abilities, aiming to enhance their writing skills. A sharing session will be held during the end-of-term English meeting.	Whole Year	$70 000	Students demonstrate improvement in their writing performance.	Observation Task Books Design	Sin, Kumar
2.	Hiring external organizations/instructors to organize the event, or purchasing teaching aids, prizes, and materials required for Games Day.	English and Math Games Day	Enhance students' interest and self-directed learning skills in English and Mathematics through interactive games, while fostering teamwork and practical application.	22/6/2027	$10,000	Participating students demonstrate increased interest in English and Math learning, with the event executed successfully.	Teacher/instructor observations, event review reports	Sin, Kumar

Allowance： $200,000
2025-2026 expenditure： $119,950
2026-2027 Budget expenditure： $80,000
Estimated remaining balance： $50
(This allowance may be used until 31 August 2027)
