

**ISLAMIC PRIMARY SCHOOL
NOTICE**

**Early Identification and Intervention Programme for
Primary One Students with Learning Difficulties**

E/IC/SC/18/56
12th October, 2018

Dear Parents,

From 8th December 2018 to 19th January 2019, our school will do an annual assessment to determine P.1 students who are at risk of learning difficulties. Teachers will complete an Observation Checklist for Teachers (OCT) developed by the Education Bureau for this purpose. The student support team of the school will hold consultations with the teachers of P.1 classes and related personnel to analyze the results of the OCT of individual students and arrange early support for those in need. During this time, teachers may contact parents to obtain information on the child's school background, physical condition, etc. Alternatively, parents who are concerned their child has a learning disability may request teachers to follow-up on the student's learning and complete the OCT. We will contact parents individually in mid-March to inform them of the identification results and the follow-up arrangements for their child.

Should you have any enquiries, please contact your child's class teacher.

Yours sincerely,

Ng Sui Lan
Headmistress
