

ISLAMIC PRIMARY SCHOOL
NOTICE
2019 JOYFUL FRUIT MONTH

E/IC/SC/18/133
27th March, 2019

Dear Parents,

Children are exposed to all types of healthy and unhealthy food. Islamic Primary School has always encouraged students to eat smart. We are now taking this a step further in **April** by declaring it “Joyful Fruit Month”.

We know that eating fruit is a smart and healthy choice. We are therefore asking that each student **bring some fruit on 24th April**. This can be the first step in developing healthy nutritional habits, that last a lifetime! Thank you for your support.

Yours sincerely,

Ng Sui Lan
