2017-2020 Understanding the Adolescent Project [UAP P5]

E/IC/SC/18/45
18th September, 2018

Dear Parents/Guardians,

Our children grow quickly. To better enable us to understand issues surrounding their physical and mental well-being, our school has joined the “**Understanding the Adolescent Project (Primary)**” <UAP> promoted by the Education Bureau (EDB). This program is designed for all Primary 4 to 6 students. **This is the second year for our P.5 children to participate.** The aims of the program are to help students learn about anger management, interpersonal relationships, conflict resolution, goal setting and how to enhance their sense of optimism.

Your child has invited to join the above program. A series of programs will be conducted, including a growth group, a training camp and individual interviews. The program is sponsored by the EDB and organized by the Hong Kong Young Women’s Christian Association (YWCA).

If you have any questions, please contact our school social worker Miss Lam at 2450-2270. Thank you for your support.

Yours sincerely,

Ng Sui Lan
Headmistress
