Dear Parents,

To promote racial harmony and encourage students to respect others' cultures, we will hold, "The Philippines' Learning Day cum Seasonal Party," to share and welcome the New Year.

On 19th December, 2019(Thursday), students may dress casually. If students do not wish to dress casually, they can wear the normal school or PE uniform. Students should bring their textbooks for the **1st to 6th lesson** and healthy snacks. **On that day, the first 6 lessons will be held as this is a normal school day.** Students should not be absent (with the exception of those with proper sick leave certificates signed by a doctor).

Students who have joined after school tutorial classes or other extra-curricular classes will attend those classes as usual (bring lunch box if needed). Students are encouraged to bring healthy food or snacks to share with their classmates in the last two lessons.

On 20th December, 2019(Friday) will be our Staff Development Day, students should stay at home for revision as P.1-P.5 examinations will be held after the Christmas and New Year holidays.

If you have further enquiries, please contact the class teacher during school hours.
