Dear Parents,

In order to cultivate students' interest in reading, the school has set up a "Story Parents" volunteer team to share stories with the lower grades of the school. The school will arrange for "Story Parents" to be divided into groups of two that take turns being responsible for reading and sharing several times throughout the school year.

Interested parents are now cordially invited to join the "Story Parents" volunteer team. Details are as follows:

Content: Parent volunteers will come to school to share stories with Primary One and Primary Two students.

Dates:

October	8, 22 and 29
November	12, 19 and 26
December	10, 17

(Parents do not need to participate in the activities on all days above, instead the school will arrange the days to accommodate parents' schedules)

Time: 11:55 – 12:55

Venue: Islamic Primary School's classroom

Remarks: According to the requirements of the Education Bureau, starting from September 2021, persons who frequently visit school campuses must have received at least one dose of COVID-19 vaccine, or undergo regular self-financed COVID-19 test and receive negative results. Such tests must be carried out and completed once every two weeks. The specimens must be obtained from combined nasal and throat swabs, and not collected through self-testing kits.

In addition, to further promote parent-child reading, our school intends to hold another parent-child reading workshop. Our school now hopes to collect parents' opinions so that we can know if there are enough people interested in attending the workshops. Please refer to the following for details:

Content: The school plans to invite professional speakers to the school to share parent-child reading skills and experiences with parents.
