

**Islamic Primary School**  
**Arrangements for Whole-day Face-to-Face Classes**

Dear Parents,

The Education Bureau (EDB) has been closely monitoring the latest development of the COVID-19 epidemic situation in Hong Kong, to review and adjust the anti-epidemic measures and schooling arrangements. The EDB takes into account the views of stakeholders and announces the updated arrangements for whole-day face-to-face classes with the details on 25-10-2022. Starting from 1-12-2022, if, in a primary school, 70% or more of the total number of students of the whole school or an individual class level eligible to receive vaccination have received two doses of vaccine for more than 14 days, the school may make an application to the EDB and we will take into account the actual circumstances of the school to allow it to resume whole-day face-to-face classes for the whole school or the individual class level.

At present, more than 70% of our students in P.2 to 6 have received two doses of the vaccine. P.1 students have not yet reached the standard, but according to the vaccination records, P.1 students can also meet the required doses two months later. After reviewing the students' vaccination data, administrative arrangements and students' learning needs, our school plans to **provide whole-day face-to-face classes for all students no earlier than 13-2-2023**. The school hours of whole-day face-to-face classes are from 8:05 a.m. to 3:30 p.m.

Preparation of whole-day face-to-face classes is in progress to ensure students can study on a healthy and pleasant campus and adapt to whole-day school hours. Regarding the details of whole-day face-to-face classes, the school will notify parents as soon as it is confirmed. If parents have any questions, please contact the class teacher at 2450-2270. Here's wishing all parents, teachers and students a healthy body and mind!

Yours sincerely,

Ko Tak Yin  
Headmistress
