

ISLAMIC PRIMARY SCHOOL
NOTICE
New style of school uniform

Dear Parents,

The school's current uniform style has been used for many years. To meet the development trend of education, facilitate students to carry out various learning activities and enhance their sense of belonging, the school will implement the change of school uniform style from September 2023 and set a three-year transition period. Students can continue to wear the old uniform from the 2023-2024 school year until the 2025-2026 school year. In addition, the school will also change its uniform supplier from the new school year in September 2023. The new uniform supplier is Victoria Uniform.

Regarding the style of the new school uniform, the school will seek parents' opinions so that the school can further collect data and follow up. The new school uniform style needs to be approved by the Incorporated Management Committee of the school. Once the style is confirmed, the school will notify parents through the school website as soon as possible and will display it in the school. At that time, the school uniform supplier will only provide new school uniforms for parents to purchase.

Yours sincerely,

Ko Tak Yin
Headmistress
