Mid-Autumn Festival Learning Day Cum Dress Special Day 2024 (Community Chest)

4th September, 2024

Dear Parents,

“Mid-Autumn Festival Cum Dress Special Day” will be held on **17th September, 2024 (Tuesday)**.

On that day, all students can return to school in casual or traditional wear to participate in the “Dress Special Day”. If students do not want to wear casual or traditional clothes, they need to wear PE uniform. The school hours remain the same. Students can bring a lantern back to school on that day, but do not use lanterns with sound effects to avoid excessive noise.

On that day, students only need to bring the textbooks for the 1st to 6th periods. There will be Mid-Autumn Festival learning activity during the 7th to 9th periods.

Our school will donate the funds raised from the “Dress Special Day” to the Community Chest of Hong Kong. If you wish to donate, please complete the form below and hand it in with the donation to the class teacher **from the 5th September to 17th September, 2024**.

Here, the school also hopes that parents will remind their children not to burn wax or play with fire during the Mid-Autumn Festival. This behaviour is very dangerous, and if prosecuted, the maximum fine is HK\$2,000.

Yours sincerely,

Ko Tak Yin
