

ISLAMIC PRIMARY SCHOOL
NOTICE
Integrated Learning Week

E/IC/SC/25/88
12th December 2025

Dear Parents,

Integrated Learning Week (22/1/26-28/1/26, school hours: 8:05-12:55) is designed to give students meaningful learning experiences beyond the classroom. Through hands-on activities, real-world exploration, and interdisciplinary connections, Integrated Learning Week helps students:

- apply knowledge from different subjects in authentic contexts
- develop curiosity, observation skills, and critical thinking
- learn collaboratively with their peers
- build confidence and independence through experiential learning

This week enriches students' understanding of the world around them and supports their holistic development. We appreciate your support in making these learning opportunities valuable for your child.

During the Integrated Learning Week, students will follow a specific timetable, no textbooks are required, however, they should have their handbook, stationery, coloured pencils, water and snacks.

Student Guidelines for Museum Visit

To ensure a safe, respectful, and enjoyable learning experience, students must follow these guidelines:

- Always follow your teacher's instructions.
- Stay with your assigned group; do not wander off.
- Walk calmly inside the museum, no running or shouting.
- Be respectful to museum staff, other visitors, and exhibits.
- Do not touch displays unless signs say it is allowed.
- Use indoor voices when discussing what you see.
- Keep your personal belongings well.
- Take notes or photos only if permitted by the museum rules.
- Report any concerns or issues to a teacher immediately.
