"Little Shop Manager Program" Experience Activity

E/IC/SC/26/52
30th September 2026

Dear Parents,

Our school will collaborate with the Commercial Press to hold the "Little Shop Manager Program" workplace experience activity. This activity will be conducted in groups, allowing children to act as shop managers in a bookstore. Under the guidance of bookstore staff, children will learn about the origins of books and basic knowledge of the publishing industry. They will also have hands-on experience in categorizing books, shelving, and operating the cash register. Additionally, they will prepare drinks at the bookstore café and taste their creations, experiencing dual workplace roles at once. Details of the activity are as follows:

Activity:	Kiddyland x Commercial Press Workplace Experience "Little Shop Manager Program"
Date:	November 28, 2026 (Saturday)
Time:	1:45- 5:20 p.m.
Meeting Place:	Islamic Primary School
Participants:	15 pairs of parents and students (P.1 to P.4)
